Dr. Martin Luther King, President of the Southern Christian Madership Conference 454 Dexter Avenue Montgomery, Alabama U.S.A.

Moscow, 23rd March, 1965.

Dear Mr. King,

The AUCCTU International Department sends you for your information the text of the Statement of the All-Union Central Council of Trade Unions published on 16th March, 1965 by the newspaper "Trud" in connection with cruel violence done by Alabama State authorities to Negro participants in the Freedom March in Selma.

We express our confidence that the struggle of the Negro working people in the USA for their democratic rights and liberties will be crowned with success.

Sincerely yours,

B. Averyanov,
Head, International Department,
AUCCTU

THE STATEMENT BY THE ALL-UNION CENTRAL COUNCIL OF TRADE UNIONS OF THE USSR

Radio and press have reported another crime committed by American racists - authorities resorted to brutal violence as regards freedom march participants, Negro population in Selma, Alabama State.

Bestial violence of mounted police done to the marchers among whom there were many women and children is an act of flag-rant violation of basic democratic rights and liberties of the American citizens. It has justly aroused the feelings of indignation and wrath among the workers in the USSR who demand that an end be put to the inhuman chase of Negroes in the USA.

The Soviet working people denounce these cruel arbitrary actions committed by the Alabama State authorities led by Governor Wallace, a racist and obscurantist, under whose orders police has resorted to clubbing, whipping and tear-gassing of the Negroes.

On behalf of the Soviet factory and office workers the All-Union Central Council of Trade Unions resolutely protest against the reprisal of freedom marchers in Selma.

The Soviet organized workers, all our citizens express their fraternal solidarity with Negro working people in the USA who are courageously fighting, backed by progressive American public opinion, for equality in political, economic and social field, for elimination of racial discrimination.

American racists must answer for their crimes. The Soviet workers resolutely demand that all those involved in committing this bestial violence to American Negroes should be severely punished and Negro people be ensured democratic liberties and genuine equality.

Уважаемий господин Кинг.

Международный отдел ВЦСПС направляет Вам, опубликованное 16.3.1965 г. в газете "Труд", Заявление Всесоюзного Центрального Совета Профессиональных Союзов по случаю жестокой расправы властей штата Алабама с участниками массового "похода свободы" негритинского населения города Сельма.

Выражаем уверенность в том, что борьба трудящихся негров США за демократические права и свободи увенчается полным успехом.

С уважением,

Б. АВЕРЬЯНОВ

Заведующий (Международным

отделом ВЦСИС

Утвериден постановлением Секретариата ВЦСПС от 18 марта 1965 года, протокол № 9, п.15

ЗАЯВЛЕНИЕ ВЦСИС

Радио и печать приносят сообщения о новом преступлении американских расистов — жестокой расправе властей с участниками массового "похода свободы" негритянского населения города Селма, штат Алабама.

Кровавая расправа конной полиции над демонстрантами, среди которых было много женщин и детей, является вописщим нарушением элементарных демократических прав и свобод американских граждан. Она вызывает чувство законного возмущения и негодования советских трудящихся, требующих положить конец бесчеловечному преследованию негров в США.

Трудящиеся Советского Союза клейнят повором этот грубый акт произвола со стороны властей штата Алабама во главе с расистом и мракобесом губернатором Уоллесом, по указанию которого полиция пустила в ход дубинки, нагайки и бомбы со слезоточивым газом.

От имени советских рабочих и служащих Всесоюзный Центральный Совет Профессиональных Союзов решительно протестует против расправы с участниками "похода свободы" города Селма.

члены профессиональных союзов, все советские люди виражают свою братскую солидарность с трудящимися неграми США, которые при поддержке прогрессивной американской общественности ведут мужественную борьбу за свое равноправие в политической, экономической и социальной областях жизни, за ликвидацию позорной расовой дискриминации.

Преступления американских расистов не должни остаться безнаказанным. Советские трудящиеся решительно требуют сурово наказать участников и организаторов бесчеловечных расправ над американскими неграми и обеспечения негритянскому населению США демократических свосот и прадленого равноправия.
